You must be available during the tournament period 2 – 18 January 2010. The Volunteer Coordinator will be in contact with you in September 2009 with more information. This form is an expression of interest only. Limited spaces are available in some areas and we can not guarantee your first preference. Below is a brief summary of the positions available during the event. Please provide more than one preference if applicable. You can only be appointed to one area for the duration of the tournament.

There are a variety of volunteering areas and below is a summary of these areas:

- Spectator Services – First point of contact for public as they enter the venue and general assistance throughout the venue including Ken Rosewall Arena and Show Courts.
- Field of Play – On court supplies and service. Preparing match and practice courts with towels, water, drinks, umbrellas etc. Courts are set prior to matches commencing and required to be stocked throughout sessions. This role requires a lot of physical lifting.
- Player Services – Assist with the day to day needs of players and their guests during the event.
- Technology – Assisting implementation of all technology aspects, accreditation, statistical analysis and results distribution. You must know the rules of tennis.
- Transport – Transporting players, guests and officials between official hotels, site and airport transfers.
- Medibank Interactive Zone (Fanfest) – Assisting a variety of fun interactive activities, where people can play a range of tennis games including speed serve, mini tennis etc.
- Museum – Assisting visitors to the tennis museum by providing information about the displays and helping respond to queries about the history of tennis.
- Media Centre – Assist with day to day operation of the media centre including distribution of media facts, assistance with supplies to the media room.
